Question:

Is there a way to get resources for the **Visiting Nurse Association of the Inland Counties** to help more patients and their families?

Answer:

Yes. The **Visiting Nurse Association of the Inland Counties**, established in 1931, is a non-profit 501C3 Home Health and Hospice agency. In addition to Home Health and Hospice, VNAIC offers such programs as Mourning Star Centers which provide loving support in a safe place where grieving children can share their experience as they move through their healing process. All bereavement services are at no cost.

To support this program, you can load the search engine "Goodsearch" by going to <http://www.goodsearch.com> and choose **Visiting Nurse Association - The Inland Counties - VNA (Riverside, CA)** as the charity to support, then search away. To ensure you always use <http://www.goodsearch.com> as your search engine, change your computer settings by going to:

1. Select Tools | Internet Options.
2. Select the General tab.
3. In the Address textbox, type <http://www.goodsearch.com>.
4. Click OK.

Every time this search engine is used, it pays a small amount to the **Visiting Nurse Association of the Inland Counties**. It is simple and easy to use. While you are online shopping, a similar search engine you can load is www.iGive.com. To register, select the **VNA Hospice of the Inland Counties** as your charity, and proceed to shop. Our Hospice programs will receive a percentage of your purchases for their programs and services.
